

Look On the Inside

Look on the inside,
The outside's decoration.
Goodness on the inside,
Is a cause for celebration.
Look on the inside, look on the inside, oh yeah!

Outsides are no big deal.
They're just going along for the ride.
A person wearing old clothes,
May have beautiful things inside.
Look on the inside, look on the inside, oh yeah!

If you're walking with friends you like,
Does it matter what shoes they wear?
If someone helps you on your bike,
Do you care about their hair?

Try to have an open mind,
In a new situation.
Don't let the way things look,
Destroy your concentration.
Look on the inside, look on the inside, oh yeah!
Look on the inside, look on the inside, oh yeah!
Look on the inside, look on the inside, oh yeah!
