PJ Library and Legos

Rabbi Shari Shamah, PJ Library in Milwaukee

A few things to know:

- PJ Library in Milwaukee has done two very successful Lego Events
- Legos can be made into multiple Judaic objects
- Kids and parents both seem to love Lego programs
- Families attended who have never been to event before... said Legos were the draw
- Both events attracted more than 30 families
- PJ Library in Milwaukee has made both Lego Menorahs and Lego Dreidels
- We charged \$8 per child to cover supplies. Each child got to make their own Lego piece
- For detailed directions please feel free to email or call, Rabbi Shari Shamah, sshamah@jccmilwaukee.org or (414) 967-8229
- We are looking for suggestions for next year's Lego activity...
